

CAPABILITIES STATEMENT

NATIVE OWNED AND MANAGED

OUR MISSION

NativeFusion understands the importance of providing exceptional services to our clients. Our mission is to continuously improve the quality of our work while providing quality products safely, on time, and within budget.

NativeFusion also understands that the design/construction industry is becoming more and more specialized due to increased technology and regulations. Our staff of experts sustains collectively over thirty years of experience in the Industry.

One of NativeFusion's main goals is to strengthen Indian Country by providing a qualified team of Native experts performing services in the Tribal, Federal, and Commercial Spaces.

OUR VISION

Our vision is to provide successful projects through collaborative efforts as one team. NativeFusion's staff has had the ability to serve in the three roles of Owner's Reps, designers in A/E firms, and contractors in construction.

We truly believe it takes dedication and commitment from all parties to provide a successful project. Our objective is to fuse the knowledge of the three roles together to create a single unifying approach to our client to ensure success.
